Lane Reductions along IL 137 in Libertyville

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane reductions will occur for intermittent roadwork along Illinois Route 137 in Libertyville beginning, weather permitting, Monday, April 27.

In order to complete the work, eastbound and westbound traffic lanes will be reduced for construction activities along IL 137 between O'Plaine Road and Illinois Route 21 (Milwaukee Avenue).

The project will be complete by July 6.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>. Updates on the impacts to traffic are available at www.travelmidwest.com.
